Couple's Scavenger Hunt

TheMamaZone.com

Beneath the spot where
you lay your head,
A gift for you
to be used in bed!

In the place where
you'd find a cup,
A little something
for you to eat up.

If you want things cold,
you place it here.
Hiding there,
a gift for you, my dear.

Near that item
with the screen,
A gift for the loveliest
face I've seen.

Over there, where
clothes are dirty,
Something for you 'cause
I'm feelin' a little flirty.

Where you wash
your hands, you'll see
Another little gift
from me.

Here is where
you soak and rest.
Enjoy this gift
because you're the best.

See yourself
in front of this,
And find a gift for
the one I love to kiss.

You've got my heart
under lock and key.
Go to where we use those
and a gift, you'll see.

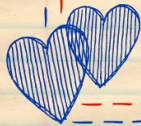

Grab your socks
and enjoy this gift
that's sure to give
your day a lift.

Hiding near the table
you use at night,
Something great for you
because you're dynamite.

Need something warmed,
this will do.
Find one more gift
because I love you.
